Radio Clubs

AMATEUR RADIO CLUBS SERVE MEMBERS IN MASON COUNTY

Two amateur radio clubs are active in Mason County. Club members have diverse interests, support local coverage repeaters, participate in a variety of events and contests, and support emergency communications.

MASON COUNTY AMATEUR RADIO CLUB (MARC)

SHELTON, WA

The Mason County Amateur Radio Club (MARC) meets at 9:00 am on the third Saturday of each month at the Mason County Department of Emergency Management (DEM) at 100 W Public Works Drive, Shelton, WA 98584.

NORTH MASON AMATEUR RADIO EMERGENCY SERVICES CLUB (NMARES)

BELFAIR, WA

The North Mason Amateur Radio Emergency Services Club generally meets on the second Thursday of each month.

Get Licensed

AMATEUR RADIO CLASSES AND TESTING ARE AVAILABLE

Both clubs (MARC and NMARES) support classes to help you obtain your amateur radio license. There are numerous HAMS in both clubs who are willing to answer questions, provide clarification and more information, and serve as mentors for new amateur radio operators. If you need help, please contact one of the clubs or the ARRL.

TESTING

SHELTON, WA

Testing is generally offered at 11:00 am on the first Saturday of each month. For more information, please contact David Brooks, N7HT at dbbrooks@hotmail.com.

VOLUNTEER EXAMINERS

SHELTON, WA

If you currently hold a General or Extra license, please consider becoming a Volunteer Examiner (VE). You can provide an important service to amateur radio by serving as a VE.
